

**A LEADING MANUFACTURER OF
DRAWER SLIDES, SOFT CLOSE HINGES
& KITCHEN PRODUCTS**

www.rajhanstechnocraft.com

INTRODUCTION

Since its establishment in 2014, Rajhans Technocraft is a trusted manufacturer of Drawer Slides, Cabinet Hinges, Kitchen Hardware, and Architectural Hardware. We are committed to delivering reliable, durable, and high-quality hardware solutions for residential, commercial, and modular furniture applications under the trusted **RAJHANS** brand.

Our product portfolio includes Drawer Slides, Cabinet Hinges, Short Arm Hinges, Soft Close Hinges, Gas Springs, Tandem Box Drawer Systems, Bed Lifters, Foldable Table Brackets, Kitchen Accessories, Wardrobe Sliding Systems, Mortise Handles, Multipurpose Locks, and a wide range of furniture hardware solutions.

We manufacture 5500 Drawer Slides set per day. Manufactured in our 11000 sq. m. facility, our products are made from premium-grade Cold Rolled Steel (CRC) and Stainless Steel to ensure strength, durability, corrosion resistance, and precision.

Quality is at the core of everything we do. Backed by ISO 9001:2015 certification, BIS-certified products, advanced manufacturing technology, and strict quality control, we deliver reliable hardware solutions that meet international quality standards and ensure long-lasting customer satisfaction.

VISION

To become a trusted global manufacturer of furniture fittings and architectural hardware, known for innovative products, consistent quality, advanced manufacturing, and solutions that meet international standards.

MISSION

To manufacture reliable and high-quality hardware using advanced technology, skilled professionals, premium materials, and strict quality control, while providing timely service and building strong, long-term relationships with customers.

CORE VALUES

We believe in quality, integrity, customer focus, innovation, teamwork, and commitment to delivering reliable products and building lasting customer relationships.
